Hop on board to Historic **Marietta, OH**, the first permanent settlement of the **Territory Northwest of the River Ohio**. Several historical sites are on our agenda as our first stop is at the **People's Bank Theater**. Originally built in 1919, this theater has been restored to its early 20th Century splendor – the stage has hosted **Boris Karloff, Frank Sinatra, Jimmy Stewart, Judy Garland** and more. Next, the **Basilica of St Mary of the Assumption** is one of only 80 sites designated as a minor basilica in the United States. Fueled by history and conspiracy, the **Blennerhassett Island** is home to one of the most controversial plots in American history and **The Castle** is one of the best examples of Gothic Revival-style in Ohio. As we visit the **Trans Alleghany Lunatic Asylum for a guided tour.....**don't let the bus leave without you!!! **All aboard!** Hop on the **New Tygart Flyer four-hour train ride** with lunch included. If you're looking for comfort and spectacular views on a vintage train this is the ride for you! On our way home, we will enjoy an African-like **Safari Park called The Wilds**. It is home to a number of rare and endangered animals from around the world, including **cheetah, rhinos, camels, antelope, zebra, and giraffes**. After a grand time, it's time to hop off and head for home!
